

Fourth European Conference on Structural Control

Place

St.Petersburg, September 8-12, 2008

Homepage

<http://mp.ipme.ru/ipme/conf/4ecsc>

Hosting Institution

Institute of Problems in Mechanical Engineering, Russian Academy of Sciences,
<http://www.ipme.ru>

Steering Organization

European Association for the Control of Structures,
<http://dipmec.unipv.it>

Conference Dates

March 2, 2008	—	Abstract submission
March 15, 2008	—	Notification of acceptance
July 1, 2008	—	Paper submission
September 8–12, 2008	—	Conference

Chairmen

Hans Irschik (Austria), Rainer Flesch (Austria),
Alexander Belyaev (Russia), Dmitry Indeitsev (Russia).

Scientific program

1. Structural Dynamics and Control
2. Smart materials for Structural Control
3. Experimental Methods for Structural control
4. Assessment of dynamic parameters
5. Health monitoring
6. Special Applications
7. Others

Registration

On-line registration: <http://www.tour-m.ru/ecsc.php>
