

INSTRUCTION FOR PREPARING PAPERS FOR MASR-2016 PROCEEDINGS

Dear authors !

We would like to remind you that the paper you submit will be used as is for the Proceedings. We ask you eliminate all errors since the responsibility for the contents of your paper rests with the author. To ensure that your paper will be reproduced clearly and in the proper size and form, please follow the instructions.

General

Deadline for paper to reach the Orgcommittee: September 15, 2016.

Maximum length of paper: 6 pages.

The paper is sent by E-mail as attached Microsoft Word file.

Format

Page size: A4 size paper, it's necessary all margins to set 2,5 cm. It's essential to keep to this size.

Fonts: Times New Roman for English papers or Times New Roman Cyr for Russian papers, 11 pt.

Spacing: All strings must be single spaced. Empty strings are between title, author's information, abstract, keywords, paper, references.

When numbering equations, enclose numbers in parenthesis and place flush to right margin. Charts, graphs and drawings: use only black-white presentation. All charts, graphs, and equations are to be incorporated in place in the paper itself and are included in 6-page limit.

If the paper has more than 6 pages the additional fee 5 USD is paid for every exceeded page.

It's follow to keep the next order of manuscript's writing:

- 1) Title must be typed UPPER CASE LETTERS bolded and centered.
- 2) The author's name, organization, address, E_mail and other contact details should be centered on separate strings below the title, in upper and lower case letters. If there are a co-authors, the same information should be shown for each one.
- 3) Abstract, 5-6 strings, centered.
- 4) Keywords, 2-3 strings, centered.
