Pictures and Photos

- D** A cover sheet should be included that contains the complete title, the names, affiliations, mailing addresses of the authors, fax and e-mail address of the corresponding author and the abstract.

TITLE – bold, centered. (14 pt)

Author(s) – bold, centered, e.g. **S. R. Brown and T. Klein**

Affiliation(s) – centered, complete postal address for all authors, e-mail address of corresponding author.

ABSTRACT. About 50-100 words.

- E** Tables: type each table on the separate page, number consecutively in arabic numerals and supply a heading.

F **References:**

References should be indicated in the text by consecutive numbers in square parentheses, e.g. [1,2,5-7], as a part of the text, the full reference being cited at the end of the text. References should contain the names of the authors together with their initials, the title of the journal, volume number, year and the first page number as illustrated below. References to books should contain the names of the authors, the title (the names of editors), the publisher name, location and year, as illustrated below.

G **Figures:**

For best results submit illustrations in the actual size at which they should be published. The line drawings of the original should be laser printed, the photographs should be original, with somewhat more contrast than is required in the printed version. Each figure should be typed on separate page, the listing of the figure captions must be included.

- H** Equations must be clearly printed and numbered sequentially with arabic numbers enclosed with round parentheses at the right-hand margin.

- I** Units – the authors are encouraged to use the SI-units, other units are also acceptable.
